

Bluetooth® Headset - BT70-101

Industrial Bluetooth® Communication Headset

- Fully Programmable Bluetooth® technology
- 10 hour rechargeable battery
- Electret noise canceling gooseneck boom microphone provides optimal flexibility, allows the wearer to adjust the microphone precisely to their preference.
- Wind screen eliminates wind noise improving clarity.
- Speaker volume control
- Dual receivers provide a crisp audio response.
- SED® lightweight noise attenuating earcups provide consistent, comfortable protection and superior sound quality. The wearer will hear important external sounds, like co-workers' voices, more naturally while blocking out harmful noise.
- The unique combination of an adjustable behind-the-head steel tension band and two fully adjustable Velcro straps provide day long wearing comfort and a secure fit even under a hard hat or helmet.
- Replaceable soft foam ear pads ensure the best comfort possible.
- Pewter or high visibility yellow earcups, with other colours available by special order.
