

HALO™ Headset - F74B

Water Resistant Dual sided Headset

- Lightweight headset for use with HALO™.
- Intrinsically safe.
- Dual receivers provide a crisp audio response.
- Excellent voice pick up in high noise environments.
- The combination of a fully adjustable chinstrap and two over-head straps provide day long wearing comfort and a secure fit even under a hardhat or helmet.
- Gel filled ear cushions ensure the best comfort possible and a watertight fit.
- Electret throat microphone with ambient noise compensation to 87 dBC for clear and reliable voice transmission is hardwired.
- SEDFLEX™ retractile cord jacket is made of a durable, easy to clean, chemically resistant material with good flexibility in -40°C to 80°C.
- Watertight twist lock connector.
