

LX Series Headset - LX109

Lightweight Headset with PTT

- Single sided lightweight headset designed to provide highly intelligible communication for dispatch, command centres and a variety of other applications.
- Use as an accessory to a handheld or mobile radio. Cord termination allows this connection via an SED adapter cord.
- Continuous height adjustment makes for a comfortable fit.
- Foam ear cushion ensures maximum comfort.
- Dynamic Gooseneck boom microphone provides optimal flexibility, allowing the wearer to adjust the microphone precisely to their preference.
- Microphones can be installed on the left or right.
- Quick disconnect termination.
- Inline PTT switch with clothing clip is easy to grip even with thick work gloves.
- Load bearing clothing clip.
